102 (c)(1)(B)

DETERMINATION OF STATUS BY THE AUTHORIZED OFFICER UNDER NATURAL GAS POLICY ACT (NGPA) OF 1978

A category determination is set forth below pursuant to the provisions of the NGPA for certain federal lease gas as requested in application received on February 21, 1984 and filed by Petroleum Development Corporation, 9720-B Candelaria NE, Albuquerque NM 87112

Well Name and No.: Isler Pennzoil Federal #2 Reservoir: Abo
Sec., T. and R: section 3, T. 7 S., R. 26 E., NMPM Lease No.: NM-18489
API No.: 30-005-62054 County and State: Chaves, New Mexico

Category determination requested: Section 102 (c)(1)(B)
Recommended category determination: (X)Approved as requested ()Negative determination
Remarks: There are no marker wells within a 2.5 mile radius which were capable of commercial production between January 1, 1970 and April 20, 1977.

In accordance with the requirements of 18 CFR 274.104, as amended, the following information and reference materials will be submitted to the FERC with this final determination:*

1. List of participants including the applicant and all parties submitting comments on the application.
2. A statement on any matter opposed.
3. A copy of the application. Also, a copy of any other materials in the record used in the determination together with any information consistent (or possibly inconsistent) with the determination, which includes: Amendment received February 23, 1984
4. All materials required under 18 CFR 274, Subpart B, and all other record materials (and portions of record materials) used in the determination process are enclosed.
5. An explanatory statement summarizing the basis for the determination is enclosed.
6. For a New Onshore Production Well determination involving 18 CFR 271.305(b) or (c), a finding as to the necessity of the well is enclosed.

PRELIMINARY DETERMINATION

In my judgement, a final determination in agreement with this decision will be rendered unless additional comments are received in this office within 21 calendar days which would justify a finding contrary to this preliminary determination.

S/ Richard Bastin

Date: MAR 12 1984

Signature: Associate District Manager, Roswell District Office
U. S. Dept. of Interior, Bureau of Land Management

FINAL DETERMINATION

A final jurisdictional agency determination is hereby made that the Federal lease natural gas referred to above does/does not qualify as natural gas produced from a New Onshore Well in accordance with the applicable provisions of the NGPA.
Any person may object to this final determination by filing a protest with the FERC within 15 days after this determination is published in the Federal Register by the FERC in accordance with 18 CFR Part 275.

Signature: Earl R. Cunningham
District Manager, Roswell District Office
U. S. Dept. of Interior, Bureau of Land Management
Box 1397, Roswell, New Mexico 88201
Phone: (505)622-7670

Date: 4/2/84

*In the case of a negative determination, only a copy of the negative determination and a copy of revised Form FERC 121 will be forwarded to FERC. If the applicant or any aggrieved party so requests within 15 days of making such a determination, all information referenced in 1 through 6 will be forwarded (within 20 days following the determination) to the FERC in accordance with 18 CFR 274.104(b).
