Re: Off-lease Measurement  
TRANSWESTERN GAS SUPPLY COMPANY  
No.1 Eppers, SW1/4 Sec.34-5S-21E  
Federal Lease NM 36190

Gentlemen:

Transwestern Gas Supply Company respectfully requests approval for off-lease measurement of gas produced from referenced well. The gas will be measured by the operators orifice meter at the No.1 Eppers well, but the point of sales will be at the Houston Natural Gas Company purchase orifice meter, located at the Pool No.3 McKnight well in the SE1/4NE1/4 Sec.20, T.6S., R.22E.

Attached is a map indicating the location of the No.1 Eppers well on Federal lease NM 36190, the route of the producers sales line and the location of the sales connection at the Purchasers orifice meter at the Pool No.3 McKnight well.

Please send the approved copy of this request to Transwestern Gas Supply Company, 2801 North Main, Roswell, New Mexico and a copy to me at the letterhead address. If you need additional information, please call me.

Sincerely yours,

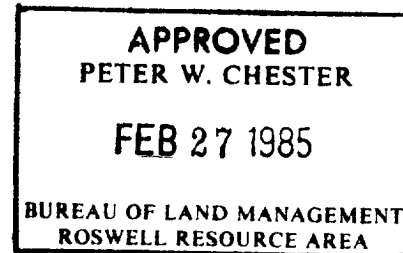

JERRY W. LONG
