Yates Petroleum Corporation wishes to amend the land use plan to include a 2-1/2" steel natural gas pipeline from this well to the Federal HY #9 location in the NESE of Section 28-T7S-R25E. The proposed route was pin flagged during an onsite with Sam Ball with the BLM, David Weaver and Cy Cowan with Yates Petroleum Corporation and Jim Hunt and Bob Martin, Independent Archaeologists. The pipeline is to follow the route being layed on the surface to minimize disturbance. The route is marked in red on the attached map.
