17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Decision has been made that this well would not be economical to complete. Casing was not perforated. No tests were conducted.

Propose to set cement plugs as follows:

1. 130' (11sx) plug across top of Abo at 3206'.
2. 110' (9sx) plug across Surface Casing shoe at 956'.
3. 50' (4sx) plug at surface with marker

The location was cleaned and leveled on September 14, 1988.

The lease terminated on September 1, 1989.

Please refund advance rental to address above.

A request for termination of Right-of-Way Permit NM 58484 will be filed after the well is plugged.

18. I hereby certify that the foregoing is true and correct
