

For Section 103(c), New Onshore Production Well

Mark below to indicate the materials reviewed and relevant to the request. Attach accordingly. Every blank should be checked to indicate that support data is attached or marked N/A indicate not applicable.

In conformance with Office of Management and Budget guidelines, data of a specific nature such as a Bureau of Land Management form, a directional drilling survey, etc., which has already been submitted to the Authorized Officer for another purpose, shall not be submitted again as a requirement but may be submitted voluntarily. If such data is not submitted, the applicant shall so indicate below that the data is on file with the Authorized Officer.

1. Revised Form FERC 121, "Application for Determination of the Maximum Lawful Price Under the Natural Gas Policy Act." ✓
2. Statements under oath as required by 18 CFR 274.204, as amended, for each application. ✓
3. A statement that completed copies of revised Form FERC 121 have been forwarded to the purchaser(s) and to the colessee(s) and/or the working-interest owners. ✓
4. Form 9-330* "Well Completion or Recompletion Report and Log." ✓
