Dear Sir,

Enclosed are copies of the logs run on the Bryon State #2.
Also enclosed is a deviation report. We did not complete
the well after the perforation on February 11, 1987, swabbed
back with no shows of oil or gas.

If you have any questions, please do not hesitate to call on
us.

Sincerely,

A handwritten signature in cursive script that reads "Fred Pool". The signature is written in dark ink and is positioned above the printed name.
