Proposed Access Road

X

(NOTE: Report results of multiple completion on Well
Completion or Recompletion Report and Log form.)

17. If well is being abandoned or completed, give pertinent details, and give pertinent dates, including estimated date of starting and
completion work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent
to this work.

Operator proposes to construct an access road 14' wide by approximately 950' in
length as displayed on the enclosed topographic map.

The proposed access road is on federal surface.

An archaeological survey was conducted on the proposed access road by Archaeological
Survey Consultants, under report #87-35.

Caliche pit for pad & access road:
