Completion or Reconpletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Incidents of Non-Compliance issued by Mr. Vic Coats on 6-27-91.
Due to pending litigation the LLE #3 well has been put on hold.
Our intentions are to return the well to production after determination
of responsibility for the loss of the horizontal hole. McKay plans to within
180 days return the existing well to a producing status or abandon the hole.

18. I hereby certify that the foregoing is true and correct
