**RE: OCD Property Code 16514  
Marbob Long Arroyo #2  
Section 33-12S-28E  
Chaves County, New Mexico**

Gentlemen:

Upon reviewing our records, it has come to our attention that the above referenced well does not have a spacing unit designated for the well. The well is a shut-in Mississippian gas well (Pool code 96068).

We request that the spacing unit for this well be the W/2 of Section 33, Township 12 South, Range 28 East. Attached is a Form C-102 reflecting this request. Within the required spacing unit, there are common working and royalty interest owners covering only one lease.

If you have any questions concerning this matter, please contact me.

Sincerely,

*Raye Miller*
