

INSTRUCTIONS

This form is to be filed with the appropriate State Office of the Department not later than 30 days after the completion of a newly drilled or deepened well. It shall be accompanied by a copy of all data and logs actually furnished to the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be rounded up to the nearest foot. In the case of directionally drilled wells, true vertical depth shall also be reported. For multiple completions, Items 25 through 34 shall be reported for each zone. The form is to be filed in quadruplicate except on state land, where six copies are required. See Rule 114f.
