Mr. Elvis A. Utz  
Gas Engineer  
New Mexico Oil Conservation Commission  
Post Office Box 871  
Santa Fe, New Mexico

Dear Mr. Utz:

Samples from the Murphy #1 in Sec. 31, T.20S., R.11W..  
were turned in to the Hobbs Sample Out by Mr. Vilas Sheldon, geologist  
for Mr. Murphy.

We received a cut of the well and have samples from the  
interval 990-1607 feet.

Sincerely yours,
