Re: The Ralph O. Pearson, et al.,
located 660' from north line
and 1900' from East line of
Section 23, T-25S, R-25E,
Crawley County, New Mexico

Max Allen Petroleum Company, succeeded by Sonoma Mobil Oil Com-
pany, Inc., as the result of a merger, drilled the subject well.
The operator has back-filled, levelled location, and
cleared it of all materials to complete well.

The well was drilled to a depth of 7122' and plugged back
to a depth of 1233'. By negotiation the hole at this depth
has been transferred to owner.

Signed: Ralph O. Pearson
