Chaves County, New Mexico

Gentlemen:

Attached is the Well Record for the subject well. This well was plugged back to 1293' at the request of the surface owner, Mr. Ralph O. Pearson. He has made application to the State Engineer to convert the subject well to a water well.

In the event Mr. Pearson's application to convert this well to a water supply well is denied, then Magnolia Petroleum Company will complete plugging to conform with New Mexico Oil Conservation Commission rules and regulations.

Yours very truly,

G. S. Young, Jr.
