Dear Mr. Tinley:

In answer to your letter of August 2, 1960, the above captioned well has not been transferred to any one or at least there hasn't been any forms to that effect.

This well hasn't been produced for quite some time, if so, we haven't received a report of any productions for this well during 1959 or 1960.

I have written Mr. Riley two letters asking him for reports up to now but haven't received a reply.

Very truly yours,

M. L. Armstrong
Supervisor, District No. 2
