Re: Unit P Well # 9-1
Sec. 9-15S-28E
Chaves County, New Mexico

Gentlemen:

Our field man William Gressett visited your P & A well in unit 9 section 9-15S-28E and found the tiedown wires not cut. The pit not filled, and the marker didn't have the L & see.

Very truly yours,

OIL CONSERVATION COMMISSION

M. L. Armstrong
Supervisor, District #2

MLA/jw
