Chaves County, New Mexico

Gentlemen:

We hereby acknowledge receipt of Commission Form C-104, Request for Allowable on the subject well.

However, Form C-116 was not attached as required by Rule 11 of the special rules and regulations for the Round Tank Queen Pool.

*recd. 4-21-72*  
Therefore, the allowable will not be assigned until such time as we receive said Form C-116 and a Notice of Connection from the Gas Transporter.

Further, Rule 10 of the said special rules requires that an initial shut-in pressure test shall be taken on each gas well and shall be reported on Form C-125. *recd. 4-21-72*

Very truly yours,

OIL CONSERVATION COMMISSION

W. A. Gressett  
Supervisor, District II
