Dear Sir:

We note on your Form C-115 received this morning, that you are producing these wells.

State A #1-K, 30-15-29

State A #2-N, 30-15-29

However, you need to file Form C-104 showing change in ownership on the above mentioned wells. Further, a State of New Mexico One-Well Plugging Bond on each well must be secured, or a New Mexico Blanket Plugging Bond before the transfer of these state wells may be approved.

Very truly yours,

Oil Conservation Commission

M. L. Armstrong

MLA/jw

P.S. It will be necessary for you to file Form C-104 on the federal wells showing change of ownership.
