Dear Mr. Stamets:

Thank you for your letter concerning the field inspection of subject wells, I called Mr. Jim Conine in Midland, Texas who took over this operation and he has assured me that he will complete the job as specified and fill out the necessary forms after the work has been completed.

If he has not contacted your office and advised you when the work would be done, I will appreciate it very much if you will let me know, and I will personally take care of it my self.

Very truly yours,

M. C. Gandy
