Re: Plugging Reports Round Tank-
San Andres Pool

Gentlemen:

Returned, herewith, are single unsigned copies of plugging reports for Mr. Gandy's federal wells in the subject pool. These reports were received in this office April 10, 1967. This information should be submitted on federal forms, to the local office of the U.S.G.S. Further, like plugging reports, on state forms, should be submitted for the State wells No. 1 K and 2 N 30-15-29 as requested in my letter of March 2, 1967. Be certain to show that mud was used between all plugs.

Very truly yours,

OIL CONSERVATION COMMISSION
