

INSTRUCTIONS

This form is to be filed with the proper District Office of the Commission not later than 10 days after the completion of any newly-drilled or deepened well. It shall be accompanied by one copy of all electrical and radio-activity logs run on the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured to this. In the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completions, Items 36 through 54 shall be reported for each zone. The form is to be filed in quintuplicate except on state land, where six copies are required. See Rule 1105.
