Dear Jack:

We are in receipt of your letter of October 4, 1968, requesting 250 barrels of Testing allowable for September and 250 barrels for October, 1968.

Please be advised that testing allowable can only be assigned for the current month for oil actually on hand.

Please refile your request showing the volume on hand for sale, the producing interval(s) and the authorized transporter.

Very truly yours,
