Mr. J. G. Reynolds

622-4992

Artesia, New Mexico

Dear Mr. Reynolds:

1-15-27 990/N 990/W

Enclosed for you are two copies of a report on the results of the geophysical survey conducted by WEK Drilling Co., Inc. on the 1-15-27 990/N 990/W well. The report is in two parts, one for the geophysical data and the other for the interpretation of the data. The geophysical data is in the form of a log and the interpretation is in the form of a summary. The log is a record of the geophysical data obtained during the survey and the summary is a brief statement of the results of the survey. The log is in the form of a table and the summary is in the form of a paragraph. The log is in the form of a table and the summary is in the form of a paragraph. The log is in the form of a table and the summary is in the form of a paragraph.
