Gentlemen:

In accordance with Rule 107 Section (e), application is hereby made on behalf of C. H. Juni for a tubingless completion for the State No. 2 located 560 feet from the North line and 1350 feet from the East line of Section 1, Township 13 South, Range 29 East. In support of this application, we state as follows:

1. The well is completed at a total of depth of 1956 feet with perforations from 1926 to 1928 feet.
2. The well is located in the Double L Queen field.
3. Shut in casing pressure is 46 psi and flowing pressure is 26 psi. There are no known corrosive problems in this area.
4. The well is a single completion.
5. The well will be produced through 5 1/2" casing.

Your consideration of this application will be appreciated.

Yours very truly,

OIL REPORTS & GAS SERVICES, INC.
