Re: Our Amerada "C" Federal No.1
Well, Double L (Queen) Field
Chavez Co., New Mexico

Attn: Mr. Joe Raney

Dear Mr. Raney;

We would appreciate an exception to R-4070 for the above
captioned well.

Phillips has informed us that they are waiting on right-of-way
approval from the State of New Mexico and the Federal Government prior to
giving us a casinghead gas connection. They applied for right-of-way
approval on May 24, 1971 and anticipate that the connection will be made
approximately June 24, 1971.

Your consideration of our request will be appreciated.

Yours very truly,

H.G. Freedman
