Dear Sir:

well file

This will confirm telephone conversation this date between our Roy Yoakum and yourself regarding a time extension in obtaining the 20 - 30 day after completion test on our Falgout "A" Federal Well No. 1, P-23-14-29, Double "L" Queen Pool, Chaves County, New Mexico.

The recovery of load oil used in operations to remove an emulsion block should be concluded in approximately 20 days. The completion test shall then be conducted and results submitted immediately.
