Re: Application to Drill
Roark & Hooker No. 1 Sun-State
Chaves County, New Mexico

Dear Sir:

Enclosed are six copies of Form C-101 and four copies of Form C-102 which I understand are necessary for an application to drill on a State owned lease.

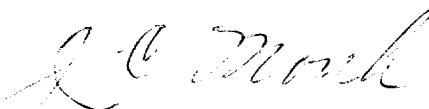

We are in the act this date of posting bond for a single well completion with Travelers Insurance. I understand that this is sent to your Santa Fe office for approval and that they will so inform you.

The cable tool drilling rig that is to drill this well will be available very soon and we hope to move on location as soon as possible. We would appreciate very much anything you can do to help us expedite matters, as Sun Oil Company has given us a starting date of on or before November 1, 1971.

Please let us know if any further information is needed.

Yours truly,

ROARK & HOOKER

J. C. Monk
