Location; 320-Acre Gas Unit  
Sh, Sec. 22, 153-29E  
Southeast Chaves Queen Gas Area  
Chaves County, New Mexico

Dear Sirs:

Dalport Oil Corporation completed the #1 Jones-Federal as a shut-in gas well on April 6, 1972. Since this is an unorthodox location, we herein apply for administrative approval of this location as per Rule 5, Order R-4435. Enclosed are three plats of said location and three ownership plats.

We are notifying the only offset operator, Yates Petroleum Corporation, by certified mail, and enclose the mail receipt.

Please advise as soon as approval is granted.

Very truly yours,

  
Leon M. Lampert
