Is Well Considered Capable of Production in Paying Quantities?

☐ Yes☒ No

If Capable of Producing in Paying Quantities, Give Reasons For Not Producing Well.

If Not Capable of Producing in Paying Quantities, Give Reasons For Not Plugging Well At This Time.

Producing from San Andres formation. Well suitable for possible tertiary recovery (CO₂ injection) at a later date when technology and economics are more favorable and CO₂ is available.

What Are Future Plans For Operating Well (Include Estimated Dates)?

When technology and economics are conducive. I cannot estimate when these conditions will exist.

I hereby certify that the foregoing is true and correct
