Re: Long Canyon Unit #1-K
Sec. 26-19S-19E, Chaves
County, NM

Gentlemen:

Form C-101, Application for Permit to Drill the subject well was approved on February 10, 1977, and to date no further reports have been received.

Failure to file all delinquent reports immediately will result in this matter being referred to our attorney for further action. Said reports are as follows:

1. Form C-103, reporting the hour and date the well was spudded, the setting and cementing surface and intermediate casing. Said report to include grade and weight of casing, amount and types of cement and all additives used, the WOC time, pressure test and results of same. Also, attach a copy of the temperature survey run on the 8 5/8".
2. Form C-103, Notice of Intent to Plug and Abandon.
3. Form C-103, Subsequent report of Plug and Abandonment.
4. Form C-105, Well completion report and log accompanied by a summary of all special tests conducted including drill stem and deviation tests.

If you have any questions concerning this matter please feel free to call me.

Sincerely yours,

W. A. Gressett
Supervisor, District II
