

Wells that need final inspection for PA

Alto State # 2 J-1-15-29 30-005-60676 Saga Pet. - oil Contamination

State # 1 K-1-15-29 30-005-60903 Aghorn ^{2/11/02} Ready for Release
~~MLB~~

2/11/02

Mike,

The Alto State # 2 was inspected by me for P&A Release. The soil on location looks to be oil saturated so you may want to look at it before we release. I have opened a compliance module it. Please let Van or myself know what you decide.

Thanks

Mike B
