Gentlemen:

We hereby acknowledge receipt of Form C-104, Request for Allowable, on the subject well.

However, to date we have not received Form C-102, Acreage Dedication Plat for the Queen formation, or a Notice of Connection from the transporter. Also, the special rules for the Double L Queen Gas Pool require 320 acres for a gas well. If you do not have 320 acres to dedicate, then you must make application to our Santa Fe office for approval of a non-standard unit prior to producing the well.

If you have any questions concerning this matter, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script, reading "W. A. Gressett".

W. A. Gressett
