Double L Queen Assoc. Pool

Gentlemen:

In our letter to you dated February 23, 1983, you were mistakenly asked for a 160 acre dedication plat for the above captioned well, since it is a gas well instead of an oil well.

However, we will need a 320 acre dedication plat since this well is in an associated pool, and there are special rules regarding this pool.

A copy of the special rules has been enclosed for your benefit.

If you have any questions regarding this matter, please feel free to call this office.

Very truly yours,

Leslie A. Clements
