INSTRUCTIONS

This form is to be filed with the appropriate local office of the county where the well is located after the completion of any newly drilled or deepened well. It shall be accompanied by one copy of all electrical and log data, including a log run on the well and a summary of all special tests conducted, including fall stem tests. All depths reported shall be measured by tape. In the case of unconsolidated drilled wells, true vertical depth shall also be reported. For multiple completions, Items 26 through 34 shall be reported for each zone. The form is to be filed in triplicate except on state land, where six copies are required. See Rule 1105.
