RE: Inactive wells follow up to letter dated 8/20/01

Tim;

Thanks for your cooperation in helping me get this matter taken care of on the sale of the Federal wells last year. I'm working on getting Ready Oil & Gas to get all of this into their name.

The cannon Et Al #001y completion request should follow soon, hopefully by November. I just got my rig put back together. I should be ready to plug the O'Brien Deming #001, C-17-08S-29E in the next couple of weeks. I will call for witnessing 24 hrs prior.
Thanks,

Russell Whited
