Re: State A-2
#1-L-2-17-17

Gentlemen:

According to a field inspection the above captioned well shows to have been spudded. We have no record of the spud date, if pipe has been run or the depth of the well.

Please submit the information as soon as possible and the measures to be taken immediately to either complete or plug the well.

A handwritten signature in cursive script that reads "Mike Williams".
