Morris Estate No. 1  
Sec. 14 T17S R32E, Eddy County, N.M.

Dear Mr. Armstrong:

Enclosed is a corrected C-104 on the well shown above. This was brought to me for revision by Mr. Harvey for transmittal to you. If anything further is needed on this well, please let us know.

I have in the office figures on runs and production on this lease which were turned over to me yesterday. As soon as possible, we will file the C-115s and other necessary reports. I shall appreciate it if you will send either the supplement or the copy of the supplement assigning an allowable to this office, so that we can straighten out this account for Mr. Thompson.

Yours very truly,

OIL REPORTS AND GAS SERVICES
