## DECISION

Obligor:

Clyde or JoLynn Hope  
dba Vintage Drilling Company  
P.O. Box 158  
Loco Hills, NM 88255

Bond Amount: \$25,000  
Execution Date: July 5, 1991

Financial Institution:

Western Bank  
P.O. Box 500  
Artesia, NM 88210

### Statewide Personal Bond and Letter of Credit Accepted

On July 10 1991, this office received a personal bond and a Letter of Credit (LOC) in the amount of \$25,000 for statewide bond coverage in the State of New Mexico for the above obligor. The bond and LOC have been examined and found acceptable; therefore, the bond is accepted effective July 10, 1991.

The pledge for the bond is a LOC written by the financial institution named above. The document will be retained by the BLM until all terms and conditions of the lease have been fulfilled or until a satisfactory replacement bond has been accepted. The LOC will be returned to the financial institution when this office determines that the bond is no longer required.

The LOC will continue indefinitely in the absence of notice from the financial institution of its determination not to renew the letter. Such a notice must be received in this office at least 90 days prior to the original expiration date of July 10, 1991, or the automatic extension dates falling on the same day in subsequent years. A copy of such notice also should be provided to the obligor, who would then be responsible for providing a replacement security with the BLM. Unless the obligor provides a satisfactory replacement bond at least 30 days prior to the then fixed expiration date, BLM will demand that the financial institution pay the full amount of the credit to ensure continuing bond coverage of the obligor. Any such funds thus obtained will be retained, as long as none are required to correct defaults, until the bond is no longer required or until replacement bond coverage is accepted by the BLM.

The bond will be maintained by this office. The bond constitutes coverage of all operations conducted by or on behalf of the obligor on Federal leases in the State of New Mexico. The bond provides coverage of the obligor where that obligor has interest in, and/or responsibility for operations on, leases issued under the authority of any of the Acts cited on the bond form. Please note that Federal leases do not include Indian leases.

Our office has held that a dba after an individual's name should be treated as surplus. Thus, a "dba" could be shown on the bond, but the oil and gas leases are to be covered under this bond may only be held in the name of the individual to meet the intent of the law and regulations, and the bond itself also must include the name of the individual.

We will forward your Letter of Credit numbered LC#91-003 for \$10,000. covering oil and gas lease NMNM 2507 as soon as our Denver office submits it to us.
