RE: Las Cruces #057674A

Dear Mr. Frost:

Mr. Wm. V. Byrd returned from a few days stay in Artesia and informed us that you all were rather anxious to have us plug the Daugherty well located in the SE $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Section 3, T-17S, 27E, Eddy County, New Mexico.

I have discussed this with the heads of the company but haven't been able to talk with Mr. English yet and being as we are doing some developing in this area, we are still undecided whether or not to plug the above location or to drill it deeper and would appreciate your bearing with us a while before we make the final decision on same.

Yours very truly,

BYRD-FROST, INC.
