Re: Gas Transporter
G.W.Duffield No.1
In unit K, 21-16-27

Dear Mr. Jamieson:

Thank you for your letter of September 7, 1965, in reply to our recent notice concerning the lack of a gas transporter on Form C-110 for the subject well. Form C-110 dated January 7, 1957, indeed shows a gas transporter. However, Form C-110 dated January 16, 1961, does not and, this is the latest report in our files. Therefore, Form C-104, revised 1-1-65, should be filed showing the gas transporter as well as the transporter of condensate.

Very truly yours,

Oil Conservation Commission
