More down along
Leprosy road in the
District of
Columbia
wells in 26-115-27

A check with the USGS shows that
Owen Haynes is the designated opera-
tor of the referenced wells. As
these are shut-in Federal wells no
state form showing change in opera-
tor will be forthcoming. Please
accept this report as verification
of the operator as Owen Haynes.

C-1155 report shows wells
under Owen Haynes. The
received miscellaneous drilling
reports from Owen Haynes have
no change of operator. From
