Gentlemen:

We are planning to plug and abandon a well located in the NW NW of section 36-17-27, Eddy County. Oil Conservation Commission rules provide that offset operators be notified before plugging is started. We are enclosing a copy of our "Notice of Intention to Plug" and ask that if any of you have any objection to our plugging program, that you contact the Oil Conservation Commission at Artesia, N.M. on or before August 27th, 1952

Yours very truly,

Hatter and Wilbanks
