

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELL

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-offs, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

Title

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for ensuring the integrity of the financial system and for providing a clear audit trail. The document also highlights the need for regular reviews and updates to the records to reflect any changes in the data.

In addition, the document outlines the procedures for handling discrepancies and errors. It states that any identified issues should be promptly investigated and resolved to prevent further inaccuracies. The document also provides guidance on how to handle sensitive information and ensure that all data is protected from unauthorized access.

The document further details the responsibilities of the personnel involved in the record-keeping process. It specifies that all staff must adhere to the established protocols and maintain the highest standards of accuracy and confidentiality. The document also includes a section on the importance of training and ongoing education for the staff to stay current in their roles.

Overall, the document serves as a comprehensive guide for managing financial records. It provides a clear framework for ensuring the reliability and security of the data, while also outlining the necessary steps for addressing any issues that may arise. The document is intended to be a valuable resource for all personnel involved in the financial management process.

The document concludes with a summary of the key points discussed. It reiterates the importance of accurate record-keeping and the need for strict adherence to the established procedures. The document also includes a section on the importance of maintaining a clear and concise audit trail, which is essential for ensuring the transparency and accountability of the financial system.

The document is signed by the Chief Financial Officer, who is responsible for ensuring the accuracy and integrity of the financial records. The document is dated 10/10/2010 and is intended to be a permanent record of the financial management process.

The document is a confidential document and should be handled accordingly. It contains sensitive information that is not to be shared with unauthorized personnel. The document is intended to be a valuable resource for all personnel involved in the financial management process.

The document is a confidential document and should be handled accordingly. It contains sensitive information that is not to be shared with unauthorized personnel. The document is intended to be a valuable resource for all personnel involved in the financial management process.
