Dear Mr. Clements:

We request exemption from the Annual Gas Well Shut-In Pressure Test for our Aztec State well located in Section 33-16S-28E, Eddy County, New Mexico.

In 1981, after shutting this well in for the test, it loaded up and cost us over \$3,000.00 to get it started again.

Yours very truly,

Kincaid & Watson Drilling Co.

Nancy King - Secretary-Treasurer
