Gentlemen:

It has come to our attention that the subject well has been producing without an allowable, see attached notice. Further, Form C-110 on file for the subject well and the Federal No.1 in unit F, 34-16-28, shows the pool name as North Red Lake. The proper name is East Red Lake-Queen-Grayburg. Please file revised Form C-104 showing this change in pool designation and Form C-127 requesting an allowable for the subject well. Copies of these forms are enclosed. In addition, Operators Monthly Report, Form C-115 should show this East Red Lake Pool designation.
