Dear Mr. Gressett:

We are returning the enclosed C-104 forms on the subject wells,  
which you returned to us on April 28, 1978.

We have checked with Southern Union Gas Co. and they have been  
unable to furnish the information required in Section IV. We  
have filled this in with what little information we have here  
in this office.

If you will not accept this, I do not know where to gather  
the information required.

Yours very truly,

Chester L. Anderson
