OFFICE OF THE STATE GEOLOGIST
 SANTA FE, NEW MEXICO

MISCELLANEOUS REPORTS ON WELLS

Submit this report in duplicate to the State Geologist or proper Oil and Gas Inspector within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of water shut-off, result of abandonment of well, and other important operations, even though the work was witnessed by the State Geologist or Oil and Gas Inspector. Reports on minor operations need not be signed and sworn to before a notary public, but such operations should be witnessed by an Oil and Gas inspector if possible.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS	REPORT ON DEEPENING WELL
REPORT ON RESULT OF SHOOTING WELL	REPORT ON PULLING OR OTHERWISE ALTERING CASING
REPORT ON RESULT OF TEST OF WATER SHUT-OFF	REPORT ON REPAIRING WELL
REPORT ON RESULT OF ABANDONMENT OF WELL

Carlsbad, New Mexico
June 7, 1934

Dr. E. H. Wells,
State Geologist,
Santa Fe, New Mexico

Dear Dr. Wells:

Will you please send Mr. George Itz of Roswell, New Mexico a bond form in the amount of \$2,000.00 to cover a well he expects to drill in Section 16, T. 17 S., R. 28 E. which is north of the Artesia Field.

I told him I thought a bond in the amount of \$2,000.00 would be sufficient since they only expect to go about 2000 feet. Mr Itz ask if a personal bond would be all right if he and Mr. Grant Keyes of Roswell signed it. I told him I didn't have anything to say about it but I would explain it to you and I thought you might O. K. it.

I feel certain that these two fellows are worth several times the amount of the bond and personally I think it is O. K.

Very truly yours,

J. D. Hunter,
State Oil & Gas Inspector.
