Re: Casing Leak Survey
Hastie Lease
Section 18-T17S-R28E
Eddy County, New Mexico

Gentlemen:

You have notified us of the date and time to be prepared for the casing leak survey on our Hastie lease.

We are no longer operators of the Hastie #13 or Hastie #15 wells. Mr. Paul Slayton purchased these wells as of January 1, 1975, but evidently has not completed the necessary paperwork to transfer them.

We are forwarding him a copy of your notice along with a copy of this letter so he can be responsible for the preparation of these wells for inspection.

Yours very truly,

H & S OIL COMPANY
