Re: Humble State #1  
Unit d, Sec. 23, 17S, 28E  
Eddy County, New Mexico

Dear Sir:

A recent field inspection of the above captioned abandoned location shows the dry hole marker to read "section 2", when it should be "section 23"; also there are four tie downs which must be removed from the location.

Please let us know when the above discrepancies have been corrected so that the final inspection can be made and your plugging release signed.

Very truly yours,
