TITLE

OIL AND GAS ASP. 0706

This form is to be filed in compliance with RULE 1104.

If this is a request for a deviation for a newly drilled or deepened well, this form must be accompanied by a tabulation of the deviation tests taken on the well in accordance with RULE 111.

All sections of this form must be filled out completely for allowance on new and recompleted wells.

Fill out only Sections I, II, III, and VI for changes of owner, well name or number or transportation other such change of condition.

Separate Forms C-104 must be filed for each pool in multiply completed wells.
