SUPPLEMENT TO THE OIL PROTECTION SCHEDULE

1. The Commission has received information that certain oil companies are engaged in a campaign to secure the repeal of the Oil Conservation Act of 1935. This campaign is being conducted by the use of public relations and other means. The Commission is concerned that this campaign may result in the repeal of the Act, which would be a serious detriment to the oil resources of the State. The Commission is therefore supplementing the Oil Protection Schedule with the following provisions:

2. The Commission hereby orders that all oil companies operating in the State of New Mexico shall comply with the following provisions:

3. The Commission hereby orders that all oil companies operating in the State of New Mexico shall comply with the following provisions:
